# Happiness by design

The happier you are the more beautiful you become

It's time to lighten up a bit. No, check that, to lighten up a lot. Banish ugly and uncomfortable office chairs to the scrapheap of history. To replace them with beauty, comfort, brightness and joy. So we invented ChairClub: South African engineering and production. Boom! Beautiful chairs and big smiles.

#### Proudly designed and made in South Africa

Our team in South Africa - product development, manufacturing, marketing, logistics, quality control and many others - build our chairs to the highest global standards.
